● Irish born writer OSCAR WILDE has the ANCIENT ORDER's "A,I,E,O" in his name and exactly one of each. He was born on October 16 in 1854. What day of the 1800's was 10-16-1854?:

1800 Through 1853 is 54 years or 19,710 days:... 19,710
14 leap years so add 14 more days:..... 14
October 16 is the 289th day of the year:..... 289

● Total=20,013

Oscar Wilde was born in Dublin, Ireland, on October 16, 1854.

● Oscar Wilde was born on exactly the 20,000th and 13th day of the 1800's and then named with exactly the ANCIENT ORDER's "A,I,E,O", one of each, in his name. And that was in 1854.

● One of Wilde's most famous works is the novel THE PICTURE OF DORIAN GRAY. The name "Dorian Gray" is "Gordian Ray" with the letters switched around. The "Gordian Knot" is an "intricate knot" from ancient times, as can be seen at right. The Gordian Knot is the reason the ANCIENT ORDER used the "Gordian Ray" scrambled into THE PICTURE OF DORIAN GRAY.

Gor'di-an knot' /gōrd'ē-an/ n knot tied by Gordius, king of Phrygia, so intricate that an oracle declared that he who loosed it should be master of Asia; cut through with a stroke of the sword by Alexander the Great

● But why did they choose the word "picture" with Gordian Ray/Dorian Gray? What does a picture have in common with the Laser Ray? The answer: frame. A picture is in a frame and the ANCIENT ORDER's Laser Ray devices are used to frame people. The Laser Rays are used to control people's impulses to make them commit acts (including crimes) for which they take the blame. The ANCIENT ORDER chose the title THE PICTURE OF DORIAN GRAY because it really means 'the frame-up of the Gordian Ray'.

frame /frām/ [OE framian to be helpful] vt 1 to fit (one thing) into another; put together; 2 to devise, work up into proper form; 3 to adjust, adapt; 4 to surround or enclose with a frame, as a picture; 5 *colloq* to incriminate (an innocent person) with false evidence ||

● At right is the movie THE ARRIVAL, about a group of space aliens (superior beings) who live among regular people and kill them routinely. The main antagonist in this movie is named PHIL GORDIAN. The name Gordian is meant to convey the "intricate knot" in which the inhabitants of Earth are tied in THE ARRIVAL. They cannot recognize their 'rivals' or enemies and do not even know their deadly enemies are among them.

● THE PICTURE OF DORIAN GRAY was published in 1891. The Gordian Ray is the ANCIENT ORDER's Laser Ray, which operates people's impulses, framing them to their own destruction on a daily basis. And that has been for hundreds of years. Nothing is connected back to the ANCIENT ORDER.

● Below is a passage from their book 1984, which brags about what the ANCIENT ORDER's 'Gordian Ray' actually makes people do.

the confessions that they had made were obviously extorted and untrue. We do not make mistakes of that kind. All the confessions that are uttered here are true. We make them true.
